Join a team that makes a difference in how county government operates. The Office of the County Auditor reports directly to the Baltimore County Council, the legislative branch of County Government. We provide independent auditing and other fiscal and policy analysis services to assist the County Council in its legislative oversight function. The Office consists of two work units, the audit unit and the fiscal and policy analysis unit. Our audit unit is responsible for various types of auditing, including compliance, operational, and internal control audits, and fiscal impact analysis for various projects and agency budget requests.

Presently, we are seeking to fill openings in the audit unit. Entry-level and experienced audit candidates are encouraged to apply.

Basic requirements are:

- a bachelor's degree from an accredited college or university in accounting, finance, or a closely related field;
- knowledge of government auditing standards and government accounting;
- excellent written and oral communication skills;
- strong analytical and research skills and attention to detail; and
- computer proficiency.

The following certifications and experience are preferred: CPA or CPA candidate; CFE; CIA. We are seeking quick learners who are able to work independently and exhibit a high level of professional skepticism. Public accounting and government auditing experience are a plus. At the more senior hiring level, related professional experience is required, along with the demonstrated ability to effectively coordinate assignments, supervise staff, and research and apply knowledge of generally accepted accounting principles and generally accepted government auditing standards.

Employment with the Office offers an excellent benefits package, including health insurance, retirement, generous leave time, and alternative work schedules. Please submit a resume and cover letter to auditorposition@baltimorecountymd.gov by Friday, December 31, 2013 for top consideration. EOE.
